

CHESTNUT LOFT & CAMP
Building & Tent Information
May to September

Chestnut Loft is available all year round, providing indoor accommodation for up to 34 people. However over the summer months, by using the additional tented accommodation provided (adjacent to the building), groups of up to 70 people can be accommodated. Like the other accommodation buildings at Carroty Wood it provides self-contained self-catering facilities for one group at a time.

From May to early September the tented accommodation is in the form of seven 14' x 14' ridge tents erected on concrete bases. Each tent has a ground sheet and sleeps up to 8 people on thin foam mattresses. There are also blankets, stored indoors, which are for extra comfort if needed. Guests staying in these tents must provide their own sleeping bags and pillows.

Cleaning:

To minimise costs, we ask groups to clean the buildings before departure and take their rubbish to the bin area. You will also be asked to strip the used linen off your beds on the day of your departure and put it in the laundry bags provided. In Chestnut Loft there are two sets of brooms, mops & buckets - one for the kitchen, the other for general use, along with two vacuum cleaners and dustpans & brushes. Please bring your own cleaning solutions, disinfectant, washing-up liquid, tea-towels and dishcloths. Please note you will need to bring your own first-aid kit

Catered Packages

If you prefer not to do your own (self) catering, we can offer two catered packages. The Standard Catered Package covers a hot main meal & dessert from our outside caterer and we provide the ingredients for breakfast, lunch, snacks and hot & cold drinks on a DIY basis. Alternatively there is a Customised Catered Package with a choice of main evening meal and/or lunch & breakfast options. If you are interested in either of these packages and would like more details, please ask for our Catering Pack. Groups must do their own washing up after all meals.

Activities

For residential groups, the Low-Ropes, Sports Field, All Weather Sports Pitch, Self-Orienteering and occasional use of the Sports Hall can all be booked free of charge.

The Swimming Pool, instructed activities and Spotlight sessions are all chargeable. They are all popular so if you have not already booked any, please book as far in advance as possible to avoid disappointment.
