

CHESTNUT LOFT

Building Information

Chestnut Loft is available all year round, providing accommodation for up to 34 people. Like the other accommodation buildings at Carrotty Wood it provides self-contained self-catering facilities for one group at a time.

Chestnut Loft Ground Floor

Chestnut Loft First Floor

Building Accommodation Details & Basic Information on Activities

Kitchen: Fully equipped with six burner catering oven, domestic microwave and hot water still. A range of pots and pans and sufficient cutlery and crockery for 40 people are also provided. There is an adjacent larder with a fridge, chest freezer and space to store your food.

Meeting Room/Dining Area: Furnished with 34 soft chairs, six Go-Pak tables and forty stackable plastic chairs. A hatch through to the kitchen can be opened for serving at meal times. A flipchart, DVD player and a table-tennis table are also kept in the meeting room and are available for your use. Bats, net and balls for the table-tennis are available from the office for a small deposit. You will need your own pens for the flipchart.

Bedrooms: There are thirty four beds provided inside Chestnut Loft, in a total of eight bedrooms. All bedrooms are carpeted, with bed linen provided (fitted sheet, duvet, duvet cover, pillow and pillowcase). Bedrooms 6 & 7 are located off of a small adjoining corridor, with a small toilet and shower off of the corridor.

Toilets: There are male and female communal bathrooms on the ground floor containing three showers and five wash basins in each with four toilets in the female and two in the male plus two urinals. There are a further four individual shower cubicles off the ground floor corridor. Spare toilet rolls are kept in the drying cupboard.

Campfire/Barbeque: Chestnut Loft has its own campfire and barbeque area. There is plenty of wood around to make your own campfire - ensure it is adequately supervised. You must bring your own fuel for the barbeque.

Cleaning:

To minimise costs, we ask groups to clean the buildings before departure and take their rubbish to the bin area. You will also be asked to strip the used linen off your beds on the day of your departure and put it in the laundry bags provided. In Chestnut Loft there are two sets of brooms, mops & buckets - one for the kitchen, the other for general use, along with two vacuum cleaners and dustpans & brushes. Please bring your own cleaning solutions, disinfectant, washing-up liquid, tea-towels and dishcloths. Please note you will need to bring your own first-aid kit

Catered Packages

If you prefer not to do your own (self) catering, we can offer two catered packages. The Standard Catered Package covers a hot main meal & dessert from our outside caterer and we provide the ingredients for breakfast, lunch, snacks and hot & cold drinks on a DIY basis. Alternatively there is a Customised Catered Package with a choice of main evening meal and/or lunch & breakfast options. If you are interested in either of these packages and would like more details, please ask for our Catering Pack. Groups must do their own washing up after all meals.

Activities

For residential groups, the Low-Ropes, Sports Field, All Weather Sports Pitch, Self-Orienteering and occasional use of the Sports Hall can all be booked free of charge. Groups should have their own qualified first-aider present in order to use the low-ropes course and the swimming pool.

The Swimming Pool, instructed activities and Spotlight sessions are all chargeable. They are all popular so if you have not already booked any, please book as far in advance as possible to avoid disappointment.
